

STATEMENT REGARDING INCIDENTS
INVOLVING THE LOSS OF PLASTIC PELLETS

FERCAM Transportes S.A.U. supports the
Operation Clean Sweep® (OCS).

Operation Clean Sweep® (OCS) is an international programme designed to prevent the loss of plastic granules (pellets, flakes and powders) during handling in the plastics value chain and their release into the environment.

FERCAM Transportes S.A.U.
declares that
in 2025 there were no incidents
involving the release of plastic pellets
